Hi,

Yes, of course. Matt, can you please take care of getting Ben the most recent results. I believe there should be at least three returns already.

Ben, have you reached out to California yet? If so, can you give me a call to discuss? I am curious.

Matt,

Attached please find part of the second round of 'triaged' email translations. Also, would it be possible to get a copy of the most recent round of email search warrant results?

Thanks,
Ben
